

The cooler temperatures and cloudy skies could not dampen the spirit of the triathlon. The smiling and enthusiasm on the face of the participants and their supports brightened the day and reminded all of us the reason for the event. Whether this was your first triathlon or hundredth, the good time is surely a Reason to Smile!

This year's event has risen over \$5,000 for the scholarship fund. Thank you to everyone for your participation.

The results for this year's triathlon will be posted on www.spyswimming.org as well as a link to view pictures taken at the triathlon. Please note, the time for the bike leg was NOT included in anyone's final time. The final time does include the swim time, run time, and the transition times for the swim to the bike and the bike to the run. Winners not present for the award presentation earlier today will be able to pick up their awards at the front desk of SPY Aquatics.

I would like to thank the numerous volunteers who offered countless hours preparing for the triathlon and actually making it happen today. I would also like to extend a very special thank you to Mr. & Mrs. Schindler. Your unconditional support is amazing!

We hope everyone enjoyed today's event. If you have any comments or suggestions for ways we can improve the triathlon please reply to this email.

Thank you,

Hope Adams and David Ensor
