The facility boasts seating for 1000 spectators, a handicap seating area, and a large pool deck area that will easily hold 800 swimmers. There are also men's and women's locker room facilities for 1500. The natatorium has the Colorado timing system that will be able to show both short course events (men's and women's) simultaneously. The UMD location provides numerous hotels and many restaurants within a nine-mile radius of the facility. In addition, UMD is only 15 minutes from downtown Washington, D.C. **Doors open at 6:15am.**
- BOYS/GIRLS POOLS:** The Winterfest Invitational is set-up as two separate, simultaneous swim meets. Events and sessions with odd numbers are for GIRLS. Events and sessions with even numbers are for BOYS. If the entries for a session necessitates that only one course be used, the host team reserves the right to consolidate the pools for that session.

**SPECTATOR AREA:** At this facility the spectator area is on a separate level from the pool deck. Spectators will only have access to the spectator level, which seats approximately 1000 people and has a designated handicap area. **No strollers, coolers, folding chairs, or oversized stadium seats will be permitted on the spectator level.** Concessions will be available on the spectator level. **NO SHAVING IN THE FACILITY**

**ENTRY RULES:** Entry Rules for the 2010 Maryland Winterfest Invitational are as follows:

- Individual entries require qualification times achieved in either open league, dual, or high school meet competition or before three (3) official timers from a local association. The host team reserves the right to enter SPY swimmers regardless of qualifying time so as to insure parental participation.
- **USA-ID Numbers**  
Swimmers who have been registered with USA Swimming in 2009 need to be registered for 2010 BEFORE the meet so we can clear their times on USA Swimming quickly.  
This would probably include making sure all swimmers names are spelled the same way as they are (were) registered with USA Swimming and showing their correct USA-S ID number. If you want relays entered into SWIMS, we need names or the relay cannot be submitted. PVS will NOT attempt to clear times for swimmers with no ID number.
- There are no restrictions on the number of entries per team in individual events. **The host reserves the right to limit the number of heats in certain events.**
- There is no limit to the number of relays that a team may enter in a relay event, however only **one relay team per association may score in an event.**
- Swimmers may swim three (3) individual events and two (2) relays per day  
*EX: 11-12 girl may swim 2 individual events as an 11-12 and 1 open event per day. She may only swim 2 relays per day but that could be one 11-12 relay and one Open Relay*  
Please list names for relays (may be changed at meet).
- Deck entries will be permitted at \$10.00/individual event and \$30/relay if space allows. They will be non-scoring. Swimmers must be entered in the meet to be deck seeded. All deck entries are to be submitted by a coach on the proper form (forms are enclosed in the coaches packet) and submitted to the scratch table with payment. Payment MUST be made at time of seeded entry.
- A swimmer may move up an age group for the entire meet. A 19 year-old swimmer who is still in high school may compete in the Open age group. **The swimmer's age as of December 1, 2009, determines their age for this meet.**
