The SPY Swim team offers a competitive swim program for children ages six years through high school. **SPY is the only local swim team that is a non-profit organization.** Our 501(c)(3) non-profit organization is governed by a Board of Directors, with a rich history of providing a quality swim program. We rely on the generosity of our sponsors to help maintain our competitive program and swim facility.

SPY SWIMMING AND AQUATIC'S GOALS ARE:

TO PROVIDE AN OPPORTUNITY for all children to engage in the sport of swimming;

TO FOSTER A NATIONALLY RECOGNIZED age-group swim team that provides an outlet for competitive swimmers, from children new to swimming to swimmers desiring to compete at a national level;

TO PROMOTE INVOLVEMENT in YMCA Swimming and USA Swimming programs and provide opportunities for sanctioned competition;

TO PROVIDE TRAINING in physical fitness and good patterns of physical development and conditioning;

TO PROVIDE OPPORTUNITIES for social, emotional, educational and character development, and to encourage participation in team and community activities;

TO HAVE A LONG-TERM FOCUS on the development of the individual as a productive citizen, in keeping with the ideals of the YMCA.

Swimming promotes and encourages physical and emotional growth and development in all of our children. Team Swimming is an opportunity for everyone, regardless of age, experience or ability, to not only play, but to enjoy success – as defined by the individuals own goals and dreams. SPY is committed to identifying and providing the resources our children need to succeed, both in and out of the pool.

SPY is nationally recognized as a premier swim program. For more than 30 years, we have competed in local, regional, and national YMCA swim meets, as well as USA Swimming meets. We have won the YMCA district championships for 28 consecutive years. Every year, many of our swimmers qualify and compete in the YMCA Nationals Championships. We also have USA Swimming Junior Nationals Championship qualifiers. Our girls YMCA National Long Course Team finished seventh overall this past July (out of 54 teams). SPY is a quality program with a national reputation. and we host the premier YMCA invitational meet, Winterfest.

Hosting meets provides competitive opportunities for our athletes and hundreds of athletes throughout the region, but at a considerable expense to our program. We rely upon the generosity of local businesses and private individuals to help offset that expense through sponsorships and advertising revenue. All contributions are greatly appreciated and tax deductible.

Thank you for supporting SPY Swim Team so that we may continue our tradition of excellence and service to the community.
